

ENERGY POLICY

TSDPL's Environmental Policy states that we shall remain committed to sustainable development. As an integral part of this philosophy, we are committed to efficient energy management practices.

Towards this, we shall :

- Comply with the currently applicable regulation
- Continuously improve technology to enhance energy efficiency.
- Identify, prevent, control & minimize the energy losses continuously.
- Explore new sources of energy including renewable & alternate fuels.
- Create awareness amongst employees.
